Dear FCC,

I have had Sonic for years and I want to be able to afford my internet, at 73 years of age , there is not much money. I Love my service I get from sonic, I hear what some of my friends go through with AT &T and I will use there service. My girlfriend lost her house in the big fire in coffee park. They hounded her for their equipment back for six months the house burnt down she supposed to bring them ashes , no thank you AT&T no no way . Keep sonic strong, PLEASE....
